Title: A Night Owl in the Big City

Medium used: Colored Pencils & a Black Gel Pen

Description: The character that I draw inspire me. I make animal-food combinations. Since the theme was The Big APPLE and New York, I decided that I wanted to make one of my characters to go along with this theme. The event is at night, so I was thinking of nocturnal animals and chose an owl. I love coloring with my color pencils because I can do all different shades and the black gel pen would make it pop.
