If the student applying is not listed and the household income on the document, then it CANNOT be used to verify the student's eligibly.

Additional information is continued on the next page.

The following documentation IS NOT acceptable to verify eligibility for TSIC:

- a) **W-2s/ Social Security Statement alone** – May not reflect all income and does not verify that it is same household as student.
- b) **Disability** – May not reflect all income for household and does not verify that it is same household as student.
- c) **Statement of non-filing of taxes through IRS** – Does not indicate that income was below the need to file, just verifies that they did not file.
- d) **The free/reduced lunch screen** in the School District's student profile program (i.e., FOCUS).
- e) **Direct Certification letter from State of Florida** – The letter may not be issued by all school or districts where FRL is available to all students/schools. Students who qualify to receive Direct Certification from the state (i.e.- SNAP/TANF recipients, Foster Care or Homeless youth) should be able to prove eligibility for TSIC as outlined above.
