The following documentation IS NOT acceptable to verify eligibility for TSIC:

- a) **W-2s/ Social Security Statement alone** – May not reflect all income and does not verify that it is same household as student.
- b) **Disability** – May not reflect all income for household and does not verify that it is same household as student.
- c) **Statement of non-filing of taxes through IRS** – Does not indicate that income was below the need to file, just verifies that they did not file.
- d) **The free/reduced lunch screen** in the School District's student profile program (i.e., FOCUS).
- e) **Direct Certification letter from State of Florida** – The letter may not be issued by all school or districts where FRL is available to all students/schools. Students who qualify to receive Direct Certification from the state (i.e.- SNAP/TANF recipients, Foster Care or Homeless youth) should be able to prove eligibility for TSIC as outlined above.

We hope to see you there!

September 2022

Dear Parent or Guardian,

Your child is eligible to apply to be a part of Take Stock in Children (TSIC) through The Education Foundation of Alachua County. **This is a great opportunity for your child to be academically supported throughout high school and receive a two-year tuition-based college scholarship.**

Take Stock in Children is a statewide strategy for overcoming poverty by providing hope for a better future and turning dreams into reality. Children are usually selected in late middle/early high school and given a volunteer mentor to meet with them once a week throughout the school year. Upon high school graduation, if the students maintain good behavior, stay drug and crime free, and meet with their mentor regularly, they receive a 2-year college scholarship.

To be considered for TSIC, your child must have a 2.5 grade point average and be financially eligible (see attached [Income Eligibility Guidelines](#)).

Take Stock in Children offers mentoring, case management, college readiness workshops and the promise of a college scholarship to help each student get a good education and prepare them to go to college. The goal is that students will graduate from high school, then go on to college, and enter the work force with higher earning potential. Take Stock in Children scholars state-wide have a 96% high school graduation rate, and 96% of our scholars enroll in college.

We have three individuals focused on the success of each of our Take Stock scholars. Each student is paired with a trained volunteer mentor who meets with them weekly during their lunch period at school. We also have three College Success Coaches on our staff who are responsible for tracking the progress of each student, monitoring their grades, attendance, and behavior. In addition, we partner with every public middle and high school in the county -- each school assigns someone on their staff (usually a guidance counselor) to serve as the Take Stock School Coordinator. This coordinator will work closely with College Success Coaches to identify any problems or challenges that your child is facing. We are there to support your child. We are there to cheer them on, telling them repeatedly that we believe in them. When necessary, we are also there to intervene and advocate on their behalf to help them stay on the course to graduation.

Please complete the enclosed application and attach a copy of your 2021 or most recent federal income tax return (form 1040) and a copy of your most recent one month's pay stub as well as other proof of income eligibility (i.e. Child Support, Social Security, SSI, Alimony). **Proof of income eligibility MUST be included with your application in order to be eligible for the Take Stock in Children program. Also, every section of the application must be completed.** Completed applications should be returned to the Take Stock in Children School Coordinator at your child's school (listed below) **NO LATER THAN December 2, 2022.**
